NHS SERVICE HOURS SHEET 2023 - 2024

***Name:*_____ *Phone #:*_____**

Starting with the fall of 1997, the Department of Public Instruction, the national chapter of National Honor Society, and the Greenfield School Board are requiring VERIFICATION of the hours of community/volunteer service. "Holiday Sharing" distribution day and any extra time put into your chairmanships and/or confirmation classes also count. *Link Crew and being a TA will NOT count towards service hours – this is something you signed up to do through school, during school time.* FIFTY (50) HOURS REQUIRED.

Remember: volunteer/community service hours are any hours that you are not compensated for such as a grade, school letter, and/or money. It means that you do this service "out of the goodness of your heart" and expect nothing in return.

NHS members will be required to volunteer at least **8 hours** at a Greenfield School District event. These 8 hours are to be included in the 50 hours required and not in addition to.

Please fill out the necessary information. You must have signatures and phone numbers for verification! You may attach any pieces of verification. At the January meeting a mid-year check will take place to make sure you are on pace to fulfill your hours and that the form is filled out correctly. Return this form to Ms. Frey or Mrs. Bykowski no later than the last day of May. Failure to do so will result in not wearing the NHS collar at graduation.
