UW-Green Bay Pre-college Student Application

**Social Security Number Disclosure and Usage: The University of Wisconsin System requests/uses social security numbers (SSNs) to measure the impact of Precollege program participation on college enrollment. No statute or other authority requires disclosure of SSN for that purpose. Failure to provide SSN, however, may decrease the ability of the UW System to measure the impact of Precollege program participation. Further disclosure of SSN is restricted by the Wisconsin Public Records Act and other State and Federal laws.
