

In order to log into *Career Cruising* you will need both a username and password. **Both** are **case sensitive**.

Your username will include GFIELD- (include the 'dash') the last two digits of your graduation year, your first initial (uppercase), and your last name (with the first letter uppercase.) For example, Bob Student, who graduates in 2017 will have the following username:

GFIELD-17BStudent

Your password includes Gsd (uppercase 'G') and your lunch account number. Bob Student's lunch number is 24962. His password is as follows:

Gsd24962

If your name is hyphenated, enter both names as it appears in Infinite Campus. For example, if Bob's last name in IC were Student-Athlete, he would enter **Student-Athlete (including the 'dash.'). If his name were entered into IC as Student Athlete, he would enter **Student_Athlete** (replacing the space with an underscore.)

If you are unable to access your *Career Cruising* account, please see your school counselor for assistance.
