

WISCONSIN

In the School District of Greenfield, we prioritize the safety of our students, families, and staff. We are proud to support our community by partnering with The Wisconsin Department of Justice (“DOJ”) and the Office of School Safety (“OSS”) to utilize the online tool Speak Up, Speak Out (“SUSO”) Wisconsin. The Speak Up, Speak Out Resource Center offers a Threat Reporting System in which an individual can report a concerning behavior, threat, or a tip.

Students, parents, school staff, or any community member can submit a confidential school safety concern or threat via the SUSO website, the mobile app (by downloading the SPEAK UP, SPEAK OUT app from the Apple Store or Google Play), or by calling 1-800-MY-SUSO-1 to speak to a live, trained dispatcher. To place Telecommunications Relay Service (TRS) calls, dial 711. If this is an emergency, please dial 911. The SUSO Threat reporting System is available 24-7 and is a free service. They respond to tips and deploy a response locally by communicating directly with local law enforcement and school administrators.
