July 27, 2021

The Greenfield School Board's mask resolution will expire on July 31, 2021. Beginning on August 1, 2021 masks are recommended, but not required indoors for all individuals who are not vaccinated. Since children ages 5-11 are not yet eligible for the vaccines, wearing a mask indoors is highly encouraged in the school setting. Our schools will continue to support students through the pandemic and will create mask friendly environments. On Monday night, the School Board indicated the importance of being flexible and responsive to the conditions that the virus presents. If conditions change, they would consider adopting another mask resolution in the future.
