

## Optional Annual Chromebook Protection Plan

**(Please Note: This is an annual fee per student, for 5th through 12th grade students, who are assigned a Chromebook)**

Upon the start of the school year, [chromebook expectations](#) are shared with all students regarding care and responsibility for their assigned device. In addition to this, the School District of Greenfield offers an optional Accidental Damage Protection Plan for student-issued Chromebooks for **\$20/year** per device. Families who purchase this coverage may have their Chromebook repaired by the district at no additional cost should accidental damage occur.

Families may purchase the optional protection plan by logging into the Infinite Campus parent portal. Please see the instructions below to make your payment. **The plan is an annual fee that must be paid by September 30<sup>th</sup>** and ends on the last day of school (or until the start of the new school year if permission was given to keep the Chromebook during the summer). If the fee is not paid by September 30<sup>th</sup>, the protection plan will not be applied to your child's Chromebook.

Benefits of the Chromebook Protection Plan include:

- Wide Scope of Accidental Protection
- Simplified Replacement of your Damaged System
- Peace of Mind

Examples of unintentional damages covered by the plan may include, but are not limited to, the following:

- Liquid spilled on or in unit
- Drops, falls, and other collisions
- Electrical Surge
- Damage or broken LCD due to drop, fall, or collision
- Accidental breakage

The Protection Plan **does not cover damage caused by intentional acts (as determined by the District) and does not cover lost or stolen Chromebooks.** This plan also does not include the cost of replacing a device that is not returned upon leaving the District.

Families who do not purchase the optional Chromebook Protection Plan coverage may be charged for all necessary repairs as shown below in the Schedule of Repair Costs. The repair or replacement cost(s) will be assessed and added to the student's Infinite Campus Fee account. The fee must be paid in full prior to the student taking possession of the repaired or replacement device. Unpaid balances will be handled in accordance with the District's fee collection procedures.

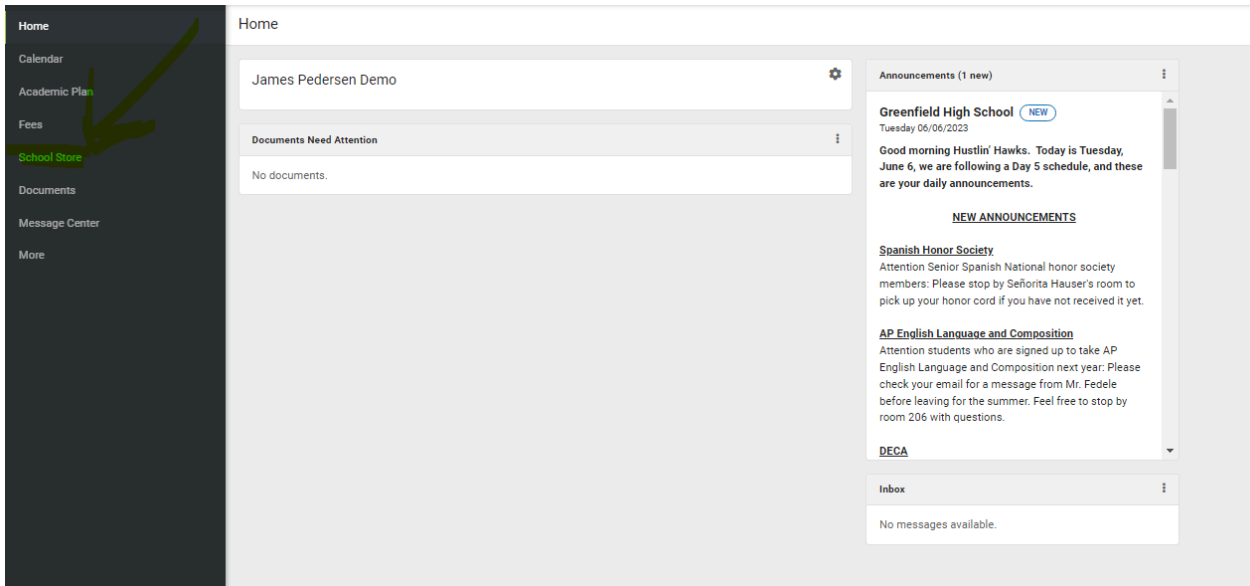

Schedule of Repair Costs	Chromebook Protection Plan	
Description	Covered	Not Covered
Removal of asset tag, graffiti, personal stickers		\$5
Case Damages/One-time Replacement*	\$30
