Fall 2011

Dear Sir or Madam,

On Saturday, September 22, 2012 the Greenfield Education Foundation will host its Fourth Annual Golf Outing at Muskego Lakes Country Club to benefit the students of the School District of Greenfield. The Foundation has contributed tens of thousands of dollars to support scholarships, grants, and activities to enhance the educational experience of students. This event is the Foundation's primary source of revenue so every dollar is needed.

Thanks to the generosity of our sponsors, the 2011 Greenfield Education Foundation Golf Outing was a huge success! Nearly \$13,000 was raised and over 100 golfers and non-golfers enjoyed the camaraderie, dinner and impressive raffle prizes.

Your help is needed to make the 2012 event an even greater success. Please help raise the excitement level and attract even more participants by donating an item or items for raffles and contest prizes. Contests will include longest and shortest drives, closest to the tee, and longest putt. Team prizes will also be awarded. All donated items are tax deductible and the necessary documentation will be provided. Sponsorship opportunities are available to promote your business or organization. Sponsors will be recognized in a variety of ways, including recognition on the School District of Greenfield cable television station and web site, district newsletters, and the golf outing program brochure.

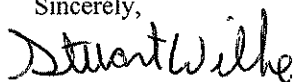

The following high visibility sponsorship opportunities are available:

Sponsorship Opportunity	Cost	Description
Single Hole	\$200	An inexpensive way to raise awareness for your product, service, business or organization. Sponsor as many holes as you like; consider at least two holes so your company/firm/organization has a strong presence on both the front and back nine!
"Elite" 18 Hole	\$1,000	Signage at all holes recognizing the Elite contribution!
Hole-in-One	\$500	Attach the name of your company/firm/organization to a main prize: Hawaii vacation, Bose music system, \$500 Visa gift card, or NIKE golf club set. Four sponsorship opportunities available.
Beverage Cart	\$500	Drive your message home with your sign on the beverage cart. Great visibility at a great price. Two (2) sponsorship opportunities available.
Prize or Monetary Donation		Your monetary or prize gift will promote your business or organization and make for a more exciting and successful event.

Please return the attached form as soon as possible to reserve your sponsorship. You are also invited to bring or join a foursome at the golf outing and/or attend the post-event dinner. Registration materials have been provided as a separate attachment and are also available at the District website: www.greenfield.k12.wi.us

For more information about donating items, sponsorship opportunities, and the golf outing, please contact me at 414-855-2030 or via email at swilke@admin.greenfield.k12.wi.us.

Sincerely,

Stuart Wilke
