- (many ideas on above Math At Home site)

Exercise & Fitness

[GoNoodle](#)

[Cosmic Kids Yoga](#)

Screen-free Ideas:

- Yoga
- Go for a walk
- Play catch
- Basketball hoop (if available in your driveway)
- Create an obstacle course
- Dancing
- Scooter/skateboard in the driveway

Tips for avoiding the Summer Slide:

Your children are already used to learning at home. Keep it going, just lessen the intensity. Keep them reading each day. Keep reviewing multiplication facts weekly.

Other Ideas:

Music:

[Children's Musicians Across the Globe Perform Online Kids Concerts](#)

Art:

Pictures for nursing home residents or for your windows so neighbors can enjoy as they walk by.

A mixture of activities/ideas:

[Bigger Kids Play Archives](#)

Major things we want students to be able to do by the end of the third grade

- read for 40 minutes

- fluently multiply within 100
