

Good morning Hustlin' Hawks! Today is Monday, February 2, we are following a Modified Day 1 schedule, and these are your daily announcements.

NEW ANNOUNCEMENTS

Black History Month

February is African American History Month - each school day this month we will highlight an African American leader who has made a substantial impact in the business, government and education sectors.

Madam C.J. Walker built a successful haircare company that made her one of the first self-made female millionaires in the United States. Beyond her business success, she created jobs, supported Black women's economic independence, and donated to causes that expanded educational and social opportunities.

Career and Technical Education Month

Did you know that February is Career and Technical Education Month? To celebrate, GHS DECA will provide daily statistics over the month to highlight what Career and Technical Education has to offer! Today's CTE Stat of the day: *Career and technical education classes allow you to earn industry certifications and college credits to give you a head start on your future, save money, and make you more attractive to employers!*

Attendance Matters

Hello GHS, this is Mr. Erner and I'm here again to talk about how much Attendance Matters! Being here at school in class and on time is essential to your success here at GHS. It is February, a fresh start for the new month and new semester, just a reminder that 12 or more tardies or truancies means you cannot attend events or activities. Now, we also want to celebrate and recognize great attendance here in our building. That's why, every few weeks, students that have No Tardies and No Truancies (or unexcused absences) will be placed in a drawing to win prizes! One eligible student from each grade will be selected. Now, I am going to announce this round of winners from our No Tardies, No Truancies prize raffle for the month of January. Winners, please come to the office after this class today to select your prize:

Grade 9: Owen H.

Grade 10: Reem O.

Grade 11: Angela X.

Grade 12: Jalenn C.
