

Greenfield Hawks Youth Football

The Paul Palma Scholarship

Mr. Paul Palma was a past president of the Greenfield Youth Football Program. He was an important part of developing the program into what it is today. He mentored coaches to greatness, grew a financially stable program from a state of debt and his character represents individuals that instill the mission and vision of the program.

The mission of the Greenfield Youth Football Program is to introduce the sport of football to the children in our community, through a select football program. We strive to develop solid fundamentals, discipline, good sportsmanship, strong character, and respect for the Team. Our goal is to help develop these important life skills while developing their love of the game and desire to continue to the next level. While we aim for success, we want to promote a positive and fun experience in a safe environment which we hope will develop a passion and enthusiasm for Hawks Football.
