

School District of Greenfield Food and Nutrition Department Certifications

School District Of Greenfield requires the Food and Nutrition Director, Kitchen Manager and Food Service Coordinator, to have the State of Wisconsin, Department of Health Services, Division of Public Health, Food Protection Managers Certificate.

Greenfield Food and Nutrition recognizes the importance of licensing, credentials and certification. School District of Greenfield Food and Nutrition Department also has 27 additional staff members with this accreditation. In all, the Director of Food and Nutrition Services, Kitchen Manager, Food Service Coordinator, Kitchen Supervisor, Head Cooks and Lead Cooks and many Line Cooks also hold the State of Wisconsin Food Protection Manager Certification.

The holder of a Food Protection Manager Certification have been educated and trained in preventing foodborne illness, proper food sanitation and food safety in addition to the best practices for preparing and serving food.

In addition, the School District of Greenfield Food and Nutrition Service has on staff 7 employees who are "SERVSAFE" certified.

The "ServSafe" Certification covers basic food safety practices for preparing and serving food, foodborne illness prevention and proper food handling.

The Food Protection Manager Certification and the ServSafe Certification are accredited through the National Restaurant Association and acknowledged through the State of Wisconsin and City of Greenfield Health Department.
